

FLORIDA RESILIENCY ENERGY DISTRICT

ADMINISTERED BY THE
FLORIDA DEVELOPMENT FINANCE CORPORATION

Goals and Objectives / Performance Measures and Standards

Fiscal Year: 2024-2025

Goals and Objectives

1. Goal: To provide District Specific information to the public.

a. Objective: By October 1, 2025, the district will create a Special District website separate from the District Administrator website fdfcbonds.com domain.

b. Performance Measure: The special district will publish a website with a domain name that does not contain fdfcbonds.com.

Summary: The FDFC created a separate website: www.flcpace.com with all the Special District website.

2. Goal: To facilitate the financing of Qualifying Improvements for property owners within the District.

a. Objective: By October 1, 2025, the district will facilitate a minimum of 5 financings of Qualifying Improvements.

b. Performance Measure: The special district will provide quarterly reports with data relating to the completion of facilitating of Qualifying Improvements to the District board.

Summary: The District facilitated 11 financings within the FRED Fiscal Year.
